Whole School Plan

For

History
### Whole School SESE History

| **Introduction** | We aim through this plan, drawn up in accordance with the history curriculum, to set out our approaches to the teaching and learning of history. It will form the basis for teachers long and short term planning. It will also inform new and temporary teachers of the approaches and methodologies used in our school. The plan was developed in the 2016/17 school year by school staff. |
| **Rationale** | We recognise History as an integral element of Social, Environmental and Scientific education. We recognise the distinct role History has to play in enabling the child to explore and understand the natural, human, social and cultural environments in which he/she lives. We hope that historical education in our school will enable the child to investigate and examine critically significant events in their own immediate past, the past of their families and local communities and the histories of people in Ireland and other parts of the world. We believe that History develops an understanding of the actions, beliefs and motivations of people in the past and is fundamental to an informed appreciation of contemporary society and environments. We view history as having a distinct but complementary role together with geography and science within SESE and as a contributor to the wider child centred curriculum. |
| **Vision** | It is the ethos of our school to enable each and every child to reach his/her full potential. We are aware of the contribution SESE makes to the harmonious development of the child. We hope that by creating opportunities for children to experience a rounded historical education that is not exclusively focused on the transmission of a body of knowledge but that allows children to work as historians children will help children to understand more fully the world in which they |
live, how events and personalities have shaped the home, locality and wider environments in which they exist. It is our vision that history in our school will enable children to understand the present by exploring the past before they begin to look towards the future.

Short Term Aims

Audit of stories which will be used to enhance History.
Development of Age appropriate Timelines in each class.
Collect and use different types of evidence for use in each class.
Curriculum Planning

Each teacher is familiar with the strands, strand units and content objectives for his/her relevant class level and indeed for each other’s class levels. We feel this is important in order to ensure a coherent programme throughout the school. Classes from Junior Infants to Second Class will work very closely. At these levels history will be delivered through integrated themes in the context of the other SESE subjects as much as possible as well as through integration with the SPHE curriculum and other curricular areas, therefore making the learning experience more holistic and meaningful for the child.

We endorse the emphasis this curriculum places on the exploration of personal and family history at this level and are conscious of the sensitivities some aspects of these topics will require.

We are aware of the requirements of the ‘menu curriculum’ as outlined in the Curriculum Statement regarding the number of Strand Units from each Strand that must be covered in each school year. We have chosen the correct number of Strand Units. Please see the Content Plan appended.

In total we have selected 8 strand units for each class level
From the strand entitled “Story”, we have selected stories that will link in with the strand units chosen above.
In total we will cover 11 strand units with each class level along with a selection of stories from the “Story” strand which are relevant to these strand units.

In choosing the Strand Units for 3rd to 6th classes, we are conscious of the spiral approach recommended in this curriculum, in which some aspects of the past may be explored in increasing detail at a number of levels.

We recognise that the curriculum recommends that in each year one strand unit in local history and one strand unit in national or world history is studied in more depth over a longer period and this has been taken on board in the development of our yearly plans from 3rd to 6th classes.

We understand that a strict adherence to a chronological treatment of Strand Units is not recommended in this curriculum because of the constraints this would impose on curricular planning. We are aware that the development of children’s chronological understanding can be fostered through the use of timelines, and will consider using timelines at all levels.

At all class levels we will strive to ensure a balance between the development of skills and the acquisition of knowledge in our teaching of history.
As outlined in our vision for history in our school we are not solely concerned with the transmission of a body of knowledge about the past, but also with ensuring children experience something of the way in which the historian goes about his/her work. Each teacher is aware that the curriculum provides for the development of a growing range of historical skills and concepts. Each teacher is aware of the aspects of Working as a Historian that apply at each class level.

**Infants:** Page 18 Curriculum

We are aware that the skills and concepts developed by the children as they work as historians are:

- Time and Chronology
- Using Evidence
- Communication

At Infant level strategies we will use to develop the child’s skills to work as a young historian will include:

- Sequencing activities - Ordering objects/pictures; Sequencing of artefacts from own personal past; sequencing of elements in a story etc.
- Use of simple timelines
- Using simple evidence: artefacts from own personal past: clothes, toys, birthday cards etc; photographs from own personal past.
- Allowing children opportunities to communicate an awareness of stories about the past in a variety of ways: listening to and retelling stories, drama, art work, ICT.

**1st / 2nd**: Page 26 Curriculum

- We are aware that the following skills and concepts will be developed by the children as they are provided with opportunities to engage with the History Curriculum and to work as historians:
  - Time and Chronology
  - Change and Continuity
Strategies we will use to develop the child’s ability to work as a young historian at this level will include:

- Sequencing activities: placing objects or pictures in historical sequence
- Exploring instances of change and continuity in personal life, family and immediate local environment: looking at features which have changed or remained unchanged
- Through examining the actions of a character in a story discuss the reasons for change and the effects of change.
- Use of simple historical evidence: photographs, objects, memories of older people, buildings, stories and songs.
- Allowing children opportunities to communicate an awareness of stories, people and events from the past in a variety of ways: writing, drama, ICT etc

**Third/Fourth Classes: Page 40 Curriculum**

We are aware that children will continue to develop these skills and concepts through engagement with the History Curriculum and by having the opportunity to Work as Historians:

- Time and chronology
- Change and continuity
- Cause and Effect
- Using evidence
- Synthesis and communication
- Empathy

Strategies we will use to develop the child’s abilities to work as a young historian at this level will include:

- Using timelines for children to record information about people and events
- Examining and using a wider range of historical evidence: photographs, pictures,
objects, memories of older people, buildings, stories, songs, written sources, films, other media, ICT.

- Encouraging children to ask questions about a piece of evidence
- Enabling children to summarise information in and make deductions from a single source of evidence
- Providing opportunities for children to use evidence and imagination to reconstruct elements of the past and communicate this understanding in a variety of ways.

**Fifth/ Sixth classes: Page 60 Curriculum**

We are aware of the skills and concepts that children in 5th ad 6th classes will continue to develop through engagement with the History Curriculum and by having the opportunity to

Work as Historians:

- Time and chronology
- Change and continuity
- Cause and Effect
- Using evidence
- Synthesis and communication
- Empathy

Strategies we will use to develop children’s skills to work as young historians will include:

- Use of timelines
- Enable children to use words, phrases and conventions associated with the recording of dates and time, such as BC, AD, Stone Age, early Christian Ireland etc
- Allow children to examine and use critically a wide range of historical evidence
- Enable children to develop some skills in the location and selection of evidence
- Encourage children to ask questions about a piece of evidence
- Encourage children to compare accounts of a person or event from two different sources
- Encourage children to use imagination and evidence to reconstruct the past in a variety of ways: oral language, drama, writing, art work, modelling, other media, ICT.
All teachers will endeavour to include a balance between the development of these skills and the acquisition of knowledge when designing their short and long term planning and when implementing it in the classroom.

<th>Approaches and Methodologies</th>

<tbody>
<tr>
<td>Our History Curriculum asserts that one of the keys to successful history teaching is the use of a broad range of classroom approaches and methodologies. We plan to use the key methodologies of the primary school curriculum in the teaching of History.</td>
</tr>
<tr>
<td>- Active learning</td>
</tr>
<tr>
<td>- Use of the environment</td>
</tr>
<tr>
<td>- Talk and discussion</td>
</tr>
<tr>
<td>- Cooperative learning</td>
</tr>
<tr>
<td>- Problem solving</td>
</tr>
<tr>
<td>- Developing skills through content</td>
</tr>
</tbody>
</table>

In addition to this we are aware of the variety of approaches and methodologies outlined as particularly suited to History and will endeavour to employ the following methodologies:

- **Story**
  We intend to carry out an audit of suitable stories and fiction books from our library for use in our History classes. We will consult pgs 65-71 of the Teacher Guidelines for guidance in this methodology.

- **Personal and family history**
  This methodology is an ideal starting point for exploring the past especially with our younger classes. Parents, grandparents and other family members will be encouraged to share family history with our children. We will consult pgs 72 - 75 of the Teacher Guidelines for guidance in this methodology.

- **Using Artefacts**
  We will gather a selection of artefacts for using evidence as a methodology. Typical artefacts will be older clothes, shoes, vinyl records, old mobile phones, old textbooks, artefacts do not all have to be ancient ones. We will consult pgs 81 - 86 of the Teacher Guidelines.
Guidelines for guidance in this methodology.

- **Drama and role play**
  Activities such as hot seating, conscience alley, and drama through story are ways in which children will empathise with people of the past and recreate human experience. We will consult pgs 109 - 113 of the Teacher Guidelines for guidance in this methodology.

- **Using pictures and photographs**
  We will use historical photographs of our locality and also study a range of photos from famous collections, famous paintings and calendars. Collections such as the Lawrence Collection (www.nli.ie) will be ideal to use for activities around Change and Continuity. We will consult pgs 87 - 98 of the Teacher Guidelines for guidance in this methodology.

**Use of the environment**

We will make the children aware of areas and buildings of historical interest:
- Emo Court
- Lea Castle
- Corrig Woods
- Odlums Mill
- The Huguenot architecture of Portarlington

We will consult pgs 99 - 103 of the Teacher Guidelines for guidance in this methodology. We will also refer to the Geography Teacher Guidelines pg 74- 78 in this regard.

- **Oral evidence**
  We aim to try and make incidents and aspects of the past real for the children through the use of this methodology. Classes will experience visits from older people in the locality and children will have opportunity to interview older people as part of their homework. We will consult pgs 77 - 80 of the Teacher Guidelines for guidance in this methodology.

- **Documentary evidence**
  We intend to gather old newspapers, birthday cards, postcards, magazines, receipts, census returns, and marriage, birth and death certificates for lessons relating to myself, my home and my school. Sensitivity to children’s personal circumstances will be exercised and careful thought given to the selection of these documents. We will consult pgs 104 - 108 of the Teacher Guidelines for guidance in this methodology.

<th><strong>Linkage</strong></th>
</tr>

<tbody>
<tr>
<td>In order to make learning more meaningful for the child and to ensure the simultaneous development of historical skills and to provide for the application of these skills teachers will explore possibilities for linkage across the History curriculum and will consider and note such opportunities in their classroom planning. This is particularly evident in our choice of stories which link in with the selected strand units. Line of Development studies chosen from the strand “Change and Continuity over time” in 3rd – 6th classes will also reflect linkage across the strand units which we have selected.</td>

<th><strong>Integration</strong></th>

</thead>
<tbody>
<tr>
<td>We agree with the assertion made in the Curriculum Statement page 9 that while history makes an important and distinctive contribution to the development of the child, historical education complements the growth of the child’s geographical and scientific learning. With this in mind, we will ensure to look for opportunities where by the elements from the history and science and geography curricula may be explored concurrently. We are conscious not only to seek out opportunities to integrate content, but also to be mindful of opportunities for transferral and application of skills. We also acknowledge the scope that exists to integrate history with other subject areas.</td>

**Assessment**

As in all subject areas Assessment is an integral part of the teaching and learning of SESE history.

We as a staff have a common understanding of its purpose and the ways in which the progress of children in history will be assessed, documented and reported.

Assessment in history will fulfill the following roles:

- A diagnostic role – to identify areas of difficulty in order to respond to the needs of the child
- A summative role- to establish the outcomes of learning after completing a unit of work. In this way assessment can provide the basis for reporting to and communicating with parents and others
- An evaluative role – to assist teachers in assessing their own practice, methodologies, approaches and resources

We recognise that assessment techniques used in history must seek to assess progress in:

a) Children’s knowledge of the past
b) Children’s ability to use historical skills
c) Children’s development of attitudes

The assessment tools we will use will range from the informal means to the more structured approaches.

Methods we will use are:

- Teacher observation of the child’s learning as the history curriculum is being
## Children with Different Needs

As previously stated we are cognisant of the distinct role history can play in the harmonious development of each and every child. As such we will strive to ensure that all children have the opportunity to experience a rounded historical education.

In the same way as we endeavour to provide for individual difference in every curricular area, we will also strive to make the history curriculum accessible to as many children as possible. In order to do this we will consider:

- Using a mixture of whole class teaching and focused group work
- Choosing more accessible or more demanding pieces of evidence for different children.
- Use a range of questions spanning from simple recall to the more complex and analytical
- Planning for the use of a wide range of communication skills (Drawing, ICT, written and oral accounts, photographs and models.)
- The exceptional child will be encouraged to undertake additional research and record their findings in a variety of ways
- Content, methods of recording and desired learning outcomes will be differentiated for children with general learning difficulties.

All teachers are familiar with the ‘NCCA Guidelines for Teachers of Students with General Learning Disabilities’ and will consult these guidelines as appropriate.
| Equality of Participation and Access | Equal opportunity will be given to boys and girls, mainstream or special class, to experience all strands and to participate in all class activities.  
- Provision for children with physical difficulties will be made so that they can access the history curriculum.  
- Children whose first language is not English will be supported in accessing the history curriculum also.  
- Our studies will include one from local, national and international places  
- Our history classes will place an emphasis on the lives of ordinary women, men and children of the past as is recommended in the curriculum.  
- We will consider in our teaching of History the contribution made by women in the past as well as men.  
- At all class levels we include the lives of men, women and children from different social, cultural, ethnic and religious backgrounds.  
  
  We will consult the Intercultural Guidelines (NCCA) for guidance here. |
| Organisational Planning Time | In keeping with the recommendations in the Primary School Curriculum Introduction (page 70) a minimum of two and quarter hours per week is devoted to SESE in infant classes and a minimum of three hours per week for classes 3rd to 6th. One hour of this time will be spent on History. On occasion, time will be blocked as appropriate. This might occur when:  
  — using a thematic approach  
  — working on a project  
  — exploring the local environment i.e. on a trail or fieldwork activity  
  
  Teachers will consider the use of discretionary curriculum time which is 2 hours, for SESE when appropriate. |
| **Resources and ICT** | We will use textbooks as a resource in our teaching of History. 
We will stock history textbooks and use as an occasional resource in a bid to reduce the emphasis on the textbook as a primary resource. 
We will invite children to bring in artefacts from home to be displayed in a temporary school museum. 
We will compile DVDs and digital videos that can support the strand units been taught. 
We have access to the internet so we can use the web as a historical resource and we have identified some useful websites. 
We will seek to acquire the following resources and materials: 
Documentary evidence- birth certs, marriage certs, old letters, postcards, census etc 
Historical maps and old photographs 
We will compile packs to support teaching of certain topics, eg the Vikings |
| **Health and Safety** | *(Refer to school’s Health & Safety Policy)* 
- Teachers will consult the principal whenever it is proposed to engage children in History activities in the environment. The schools policy on out of classroom activities will be consulted and provision made for adult help suitable clothing, footwear, insurance and transport. 
- Before use in the classroom artefacts will be examined by the teacher and checked for potential danger i.e; sharp edges. Artefacts with small parts will not be used with infants |
| **Individual Teachers’ Planning and Reporting** | Teachers will consult this whole school plan and the curriculum documents for History when they are drawing up their long and short term plans. 
- Each teacher will have a long term plan for the year 
- In third and fourth classes two strand units will be selected from each strand along with a selection of stories. We will ensure that two of these strand units chosen will be in depth studies each year. One of these in depth studies with have a local focus and the other will have a national/international focus. |
In fifth and sixth class we will select two strand units from each strand. We will ensure that two of these strand units chosen will be in depth studies each year. One of these in depth studies will have a local focus and the other will have a national/international focus. We will also cover a selection of stories for fifth and sixth.

- Where it is meaningful and suitable history will be taught in a thematic way to integrate with the other SESE subjects
- Cuntas míosúil will assist in recording work covered in evaluating progress in history and in informing future teaching
- Parents are informed of children’s progress in history at parent teacher meetings and in end of year report cards

### Staff Development

Teachers will have access to reference books, resource materials and websites dealing with history.

- Staff will be encouraged to research and try out new approaches and methodologies.
- The ISMT will be responsible for keeping resource material up to date and will arrange for opportunities for resources to be assessed for purchase and for new approaches to be piloted in the school
- Our school has a culture where teachers share their expertise, good experience and practice with others.

### Parental Involvement

We will encourage parents to talk to their children about their personal and family history, this will also involve sourcing family photographs, lending artefacts for display and taking children to see historic places.

- Any special days, eg. St. Brigid’s Day 1st February
- Natives of other countries will be encouraged to share their heritage with the rest of the school through International Culture Day (held on a bi-annual basis)
| Community Links | • People in the local community who have an interest and a knowledge in its history will be invited to speak with the children  
• Portarlington Library will be a source of historical knowledge for the children ie; documentary evidence, maps.  
• The work of some national agencies relates to aspects of the history programme and we will welcome visits by speakers from these organisations, Duchais, The Heritage Council, Local county council, Archaeological survey of Ireland, National Roads Authority (sites on routes). |
| Success Criteria | We will review this whole school plan under the following headings  
• Are individual teachers preparing planning and teaching according to this plan? Are we using a variety of methodologies?  
• How are the children’s historical skills progressing?  
• How well is historical knowledge being learned by the children?  
• Are we adhering to the menu curriculum in history as outlined in this plan?  
• Are we assessing our history as outlined in the plan?  
• Have we acquired the resources we needed?  
Ways of assessing this plan will be  
• Revisiting the plan as a staff  
• Teacher feedback  
• Parental feedback  
• Children’s feedback  
• Inspectors reports and suggestions |
| Implementation | Roles and Responsibilities  
The plan will be supported, developed and implemented by all staff members. All staff will be responsible for:  
• Historical audit of locality (Portarlington and surrounding area) |

**Review**

- It will be necessary to review this plan on a regular basis to ensure optimum implementation of the history curriculum. We aim to review this plan during the 2016/2017 school year.
- On this date we will refer to the tasks here in our action plan and check that they have been completed in accordance with the agreed timeframe.
