First Day Starting Back

It can be quite a change for most of the girls coming from the junior building to the senior building in September. **To make this as stress less as possible our 1st class girls will start school at 9.15am for the first three days of school August 29th, 30th and 31st.** If your daughter can come to the yard at the back of the senior building, we will be there to meet the girls, show them their line and escort them to their class.
